

HAIS 2024 Program

1

Peter Embí, MD, MS

Vanderbilt University Medical Center

Healthcare Artificial Intelligence Sessions Introduction

9:00 - 9:15 AM

2

Leigh McCormack, PhD

Platypus Health

Risky Business: The Realities of AI in Healthcare

9:15 - 9:45 AM

3

Bradley Malin, PhD

Vanderbilt University Medical Center

Baking Responsibility into the AI for Health Lifecycle...and Why it Matters

9:45 - 10:15 AM

4

David Koretz

CoPilot IQ

Why Pundits are Getting the Future of AI in Healthcare so Wildly Wrong (a contrarian view)

10:15 - 10:45 AM

5

Daniel Fabbri, PhD, FAMIA

Vanderbilt University Medical Center

AI-Guided Chart Abstraction

11:00 - 11:30 AM

6

Jeff Englander, CFA, MBA

Healthcare Strategy Bullpen

Overcoming Fear and Distrust by Implementing AI in Non-Clinical Use

11:30 - 12:00 PM

7

John Bass

Hashed Health

De-Risking Your AI Startup

1:00 - 1:30 PM

7

Sondra Hornsey, MEd, CHPC, CHC

Vanderbilt University Medical Center

Health Innovation and AI: A Privacy Officer's Perspective

1:30 - 2:00 PM

8

Sarma Velamuri, MD

Luminare

AI in Nursing: Revolutionizing Patient Care

2:00 - 2:30 PM

9

Marten den Haring

Lirio

Transforming Healthcare, One Nudge at a Time

2:45 - 3:15 PM

10

Larry Van Horn, PhD, MPH, MBA

Preverity

Practical Considerations for AI in Health Analytics

3:15 - 3:45 PM

11

Yaa Kumah-Crystal, MD, MPH, MS

Vanderbilt University Medical Center

Dr. AI Will See You Now

3:45 - 4:15 PM

12

Jesse Spencer-Smith, PhD

Vanderbilt University

AI Advancements in Healthcare: An Overview from HAIS24 and Beyond

4:15 - 5:00 PM
