

# 2024-25 Resident Class

Monroe Carell Jr. Children's Hospital at Vanderbilt

# Lauren Steil, PharmD PGY2 Pediatrics Resident

**PGY1 Residency:** Denver Health

**Pharmacy School:** Auburn University Harrison College of Pharmacy

**Career Plans:** Pediatric Critical Care Clinical Pharmacist

**Research Project:** Evaluation of a Vasopressin Titration Protocol for Pediatric Traumatic Brain Injury Patients Initiated on a Central Diabetes Insipidus Pathway

**Why Monroe Carell:** I chose Monroe Carell because of the wide variety of opportunities available while also being close to family. Being at an academic medical center fosters an encouraging learning environment and provides ample opportunities for research which I was looking for in a residency.

# Nick DiBisceglie, PharmD PGY1 Pharmacy Resident

**Pharmacy School:** Lipscomb University College of Pharmacy

**Career Plans:** Pediatric Critical Care Pharmacy Specialist

**Research Project:** Post-operative Pain Control in Verbal versus Non-verbal Patients Following Spinal Fusion Surgery

**Why Monroe Carell:** I had multiple rotations here at Monroe Carell as a student and absolutely loved each one of them! My preceptors, the pharmacy residents, and other pharmacists displayed overwhelming kindness and a genuine passion for pediatrics pharmacy which made my learning experiences here that much more enjoyable. When I interviewed here for the residency program, I was able to witness this genuine love for what they do to an even greater extent which solidified that each of my personal and professional goals would be wholeheartedly supported. I knew immediately that this passion for pediatrics, shared by everyone here, would inspire me to push myself to achieve things I never would have imagined possible and would help mold me into the most caring and compassionate clinical pharmacist that I so strongly desire to be. I am beyond excited to be here and to be able to work alongside and learn from such an incredible team!

# Brice Laney, PharmD PGY1 Pharmacy Resident

**Pharmacy School:** University of South Carolina College of Pharmacy, Columbia, SC

**Career Plans:** Pediatric Critical Care Pharmacy Specialist

**Research Project:** Seroquel Use in Pediatric Intensive Care Units

**Why Monroe Carell:** Monroe Carell is a prestigious institution with a storied history of developing great pediatric practitioners. During my interview, I fell in love with the kind people and their desire to make children healthier! Additionally, Monroe Carell treats patients with a wide variety of disease states which makes for a one-of-a-kind learning environment. When choosing a program, I knew that Monroe Carell checked all of my boxes and would help me become the best pediatric pharmacist possible!
