

2024 – 2025 VUH Pharmacy Informatics Resident

Alice Hou, PharmD

Alice is originally from Gainesville, FL. She is a double gator and attended the University of Florida where she received her bachelor's degree in biology followed by her Doctor in Pharmacy degree. Afterwards, she completed her PGY1 residency at AdventHealth Orlando. Alice's professional interests include data analysis and utilizing BPA alerts for optimizing medication safety and CDS for workflow efficiency. Outside of work, she is looking forward to exploring the Nashville area and hiking trails as well as spending time with her fiancé Jon, and cat Cece.
