

CURRICULUM VITAE

Kelly L. Moore, MD, MPH

CURRENT POSITION **Director, Tennessee Immunization Program (TIP)**
Tennessee Department of Health

Work Address: Tennessee Department of Health
Immunization Program
3rd Floor, Andrew Johnson Tower
710 James Robertson Parkway
Nashville, TN 37243

Work Phone: (615) 741-7247
E-mail: Kelly.Moore@tn.gov

EDUCATION AND TRAINING

1994 **Bachelor of Science**
Vanderbilt University
Nashville, TN

2000 **Medical Degree**
Vanderbilt University School of Medicine
Nashville, TN

2000 **Master of Public Health**
Harvard School of Public Health
Boston, MA

2000-2001 **Resident in Pediatrics, Internship Year**
The Johns Hopkins School of Medicine
Baltimore, MD

2001-2003 **Epidemic Intelligence Service**
Commissioned Officer, O-4 (LCDR)
United States Public Health Service
Centers for Disease Control and Prevention (CDC), Atlanta, GA

2003-2004 **Resident in Preventive Medicine**
Commissioned Officer, O-4 (LCDR)
United States Public Health Service

Kelly L. Moore, MD, MPH

CDC, Atlanta GA

Duty Station: Tennessee Department of Health, Nashville, TN

CERTIFICATION AND LICENSURE

2001	National Board of Medical Examiners
2002	Licensed Physician, Tennessee
2005	Diplomate, American Board of Preventive Medicine
2015	Recertified, American Board of Preventive Medicine

AWARDS AND HONORS

1994	Magna cum Laude Vanderbilt University
	Phi Beta Kappa Honor Society
	Vanderbilt University Traveling Fellowship
1996	Microbes and Defense Academic Society
2000	Alpha Omega Alpha Honor Medical Society
2001	Outstanding Unit Citation U.S. Public Health Service: Response to Anthrax Release
	Crisis Service Unit Award U.S. Public Health Service: Bioterrorism Surveillance, NYC
	Crisis Service Unit Award U.S. Public Health Service: Response to Anthrax Release
2003	Outstanding Unit Citation and CDC Honor Certificate U.S. Public Health Service: Enhanced Terrorism Surveillance
	Commissioned Officer Training Ribbon U.S. Public Health Service: Completion of Officer Training
2009	AIM Bull's Eye Award for Innovation and Excellence in Immunization (TIP Team Project Lead) Pandemic H1N1 Vaccine Provider Pre-Registration Program

- 2010 **National Influenza Vaccine Summit Honorable Mention (2nd place) – Overall Influenza Season Activities**
Tennessee pH1N1 Vaccine Distribution Team Lead

- 2010 **Woman of Influence, Behind the Scenes**
Nashville Business Journal

- 2010 **Friend of Children Award**
Tennessee Chapter of the American Academy of Pediatrics

- 2012 **Natalie J. Smith, MD, Memorial Award**
Association of Immunization Managers, Outstanding Immunization Program Management

- 2013 **AIM Bull’s Eye Award for Innovation and Excellence in Immunization (TIP Team Project Lead)**
Creation of Immunization Certificate Validation Tool in the State Immunization Information System

- 2014 **Peer-to-Peer Program Travel Grant to Albania**
International Association of Immunization Managers

- 2017 **AIM Bull’s Eye Award for Innovation and Excellence in Immunization (TIP Lead)**
3-Star Report Continuous Quality Improvement Tool for Decreasing Missed Opportunities in Preteen Immunization

ACADEMIC AND FEDERAL APPOINTMENTS

- 2005-2013 **Assistant Clinical Professor**
Department of Preventive Medicine
Vanderbilt University School of Medicine

- 2013-present **Assistant Clinical Professor**
Department of Health Policy
Vanderbilt University School of Medicine

- 2015-present **CDC Advisory Committee on Immunization Practices (ACIP)**
Appointed by the Secretary of Health and Human Services as a voting member to a term ending 6/2019

EMPLOYMENT

- 2004-2013 **Medical Director, Tennessee Immunization Program**
Tennessee Department of Health (TDH). Created this role, with oversight of staff that grew from ~7 to ~16, with operating budget

of ~\$5 million. Oversight of operations of federal Vaccines for Children (VFC) Program, 317 Vaccine Program, Perinatal Hepatitis B Prevention, Vaccine Preventable Disease (VPD) Surveillance, Influenza Surveillance, State Immunization Information System (TennIIS).

2005-2008

Pandemic Influenza Planning Coordinator, TDH

Created Pandemic Influenza Preparedness Program. Oversight of 2 dedicated staff, ~\$1,000,000 annual budget. Responsible for state and regional public health planning; creation of Pandemic Influenza Planning Coordinating Committee of internal and external stakeholders; lead author of TDH 2006 Pandemic Plan; led development and conduct of pandemic influenza tabletop and functional exercises at state and regional levels.

2013-present

Director, Tennessee Immunization Program, TDH

Title change. Continued oversight of VFC Program, 317 funds, Perinatal Hepatitis B Prevention, VPD Surveillance, Influenza Surveillance, TennIIS, with larger staff and scope of services. Currently oversee 30 staff, ~\$6 million budget. Principle investigator, CDC Immunization and Vaccines for Children Cooperative Agreement, and Prevention and Public Health (PPHF) grants for TennIIS expansion and enhancement.

PROFESSIONAL EXPERIENCE AND ACTIVITIES

1994-1995

Vanderbilt Traveling Fellow

Independent travel to investigate the art of healing in 19 nations of the Pacific Rim, India and Europe.

1996

Volunteer Medical Training

Child in Need Institute of Calcutta, India, and Kathmandu, Nepal

2000, 2002, 2005

Volunteer Physician

Mayfair Church Medical Mission Team
San Antonio, Toledo District, Belize

2001-present

Manuscript Reviewer

Emerging Infectious Diseases
Nicotine and Tobacco Research
American Journal of Public Health
Infection Control and Hospital Epidemiology
Vaccine

2001

Epidemic Intelligence Service (EIS) Hospital Outbreak

Cairo, Egypt. Lead investigator of bloodstream infection outbreak.

- 2003 **Smoking Cessation Training Workshop**
Speaker, exercise developer, American International Health Alliance/CDC program
Moscow, Russia
- 2004 **New Communicable Disease Control Regulations**
Led comprehensive revision of Tennessee Communicable Disease Control Regulations for first time in nearly 20 years.
- 2005 **Tennessee State Legislature Testimony**
Support of TDH position against anti-vaccine legislation
- 2005-present **Vanderbilt University Keegan Traveling Fellowship**
Selection committee member for annual \$15,000 award
- 2006 **Consultant to CDC**, national pandemic community mitigation strategy planning meetings June 14-15 and December 11-12
- 2006-2008 **State Cervical Cancer Elimination Task Force Member**
Task Force established by Governor Bredesen
- 2006-present **Association of Immunization Managers (AIM)**
Chair, Vaccine Storage and Handling Committee (2006-present)
Chair, Epidemiology and Surveillance Committee (2012-2014)
Executive Committee (2013-2014)
Chair-Elect (2014)
- 2008-present **Advisory Committee on Immunization Practices of the CDC (ACIP), Working Groups**
General Recommendations working group (2008-2015)
Hepatitis working group (2014-2016)
Herpes zoster working group (2015-present)
Combination vaccine working group (2015-present)
Meningococcal working group (2016-present)
- 2009-present **Vanderbilt Institute for Global Health (VIGH)**
Community Advisory Board Member (2009-2012)
VIGH Global Health Forum Planning Committee (2011, 2012)
Affiliate (2011-present)
- 2009 **New Tennessee Immunization Regulations**
Led comprehensive update of state immunization regulations for child care, school and college. Effective 2010.
- 2009 **2009 H1N1 Pandemic Influenza Vaccine Distribution**

- Led the creation of state pandemic influenza vaccine provider network, distribution of pandemic vaccine to over 1,500 participating Tennessee clinics in national vaccination campaign.
- 2010-2012 **CDC International Vaccine Thermostability Working Group**
Co-chair, Temperature Excursion and Revaccination Subcommittee
- 2011-2015 **ACIP AIM Liaison Representative Member**
Represent perspective of state, local and territorial immunization programs in the United States to the ACIP
- 2012 **Storage, Handling, Administration, and Preparation Experts (SHAPE) Panel:** Independent scientific advisory panel addressing issues in vaccine delivery.
Washington, D.C.
- 2012-present **Director, Siloam Family Health Center**
Faith-based clinic serving the uninsured, including immigrants and refugees, Nashville, Tennessee.
Chair, Board of Directors Clinical Services Subcommittee (2014-2015)
- 2012-present **Cervical Cancer Free Tennessee (CCFTN), Co-Chair**
Coalition to promote effective use of HPV vaccine and screening for cervical cancer, composed of persons representing state and local public health, academic medical centers, primary care providers and patient advocates
- 2012-2016 **Faculty, National Foundation on Infectious Diseases Clinical Vaccinology Course.** Biannual continuing medical education program: topics of vaccine storage and immunization registries.
- 2014 **CDC External Vaccine Inventory Management Workgroup**
Member
- 2014 **Association of State and Territorial Health Officers (ASTHO)**
Innovative Methods to Improve Access to Pandemic Influenza Countermeasures Workshop: Speaker, participant.
- 2014 **Peer-to-Peer Travel, International Association of Immunization Managers (IAIM).** One week with the Director of the Immunization Program of Albania investigating use of vaccine vial monitors and other vaccine storage practices. Tirana, Albania.
- 2015 **United States Senate Testimony**
U.S. Senate Committee on Health, Education, Labor and Pensions.

“The Reemergence of Vaccine Preventable Diseases: Exploring the Public Health Successes and Challenges,” February 10

- 2015-present **NSF-International Joint Committee on Vaccine Storage Standards:** Voting member. To develop the first U.S. standards to guide manufacturing of vaccine storage equipment
- 2015 **IAIM Inaugural Global Conference:** Speaker, participant. Istanbul, Turkey, March 3-5
- 2015 **World Health Organization (WHO) Pharmaceutical Cold Chain Management on Wheels Course.** Invited as sponsored participant, Izmir to Antalya, Turkey, June 8-13
- 2015-present **Advisory Committee on Immunization Practices (ACIP)**
- 2016-present **WHO Immunization Practices Advisory Committee (IPAC)**
- 2017-present **WHO Programmatic Suitability for Prequalification (PSPQ) Committee Member**
- 2017 **IAIM Regional Meeting for the Americas and Europe**
Sponsored participant, Madrid, Spain, February 1-3
- 2017-present **Vanderbilt MPH Program Curriculum Committee**

PROFESSIONAL SOCIETIES

- American College of Preventive Medicine
- Council of State and Territorial Epidemiologists
- Tennessee Public Health Association
- Association of Immunization Managers
- International Association of Immunization Managers
- Breakfast Club of Nashville (BCON): professional association for businesswomen

MANAGEMENT

Director of the Tennessee Department of Health Immunization Program, which includes the Vaccines for Children Program, Vaccine Preventable Disease Surveillance, Influenza Surveillance, Tennessee’s Immunization Information System (TennIIS), and Perinatal Hepatitis B Prevention.

- 3 federal grants
- ~\$6 million annual operating budget
- 31 state full-time equivalents, 4 direct reports; 1 federal public health advisor

MEDIA

Extensive media training and experience since 2001 on topics of public health and immunization. Experience includes live and recorded television and radio interviews, live call-in television shows, newspaper interviews and drafting numerous press releases for the Department of Health.
