The [Strategic Directions](#) team would like to invite you to join the StrategyShare Network that will help identify topic areas for presentation, as well as programming, for StrategyShare2020.

StrategyShare is an annual, half-day event that showcases the exciting work being done throughout Vanderbilt University Medical Center (VUMC) to advance our four Strategic Directions: Design for Patients and Families; Make Diversity and Inclusion Intentional; Discover, Learn and Share; Amplify Innovation.

StrategyShare2020 will focus on how the four strategic directions support the Medical Center's efforts to define personalized care on June 24, 2020, in Langford Auditorium.

To join the StrategyShare Network, please email strategicdirections@vumc.org. Everyone responding will receive additional information, as well as opportunities to participate, in StrategyShare2020.
