

Directions to the Main Clinical Research Center (CRC) at Vanderbilt University Medical Center

Participant drop off address: 2209 Garland Avenue, Nashville, TN 37212

Free self-parking or free valet address: 1210 Medical Center Drive, Nashville, TN 37212

Directions:

If being dropped off: Enter the Medical Center North at the end of Garland Avenue through the double doors into the 2nd floor of the Medical Center North. Once inside, go left down the hallway and take first hallway to your left. You will pass a set of double elevators on your right. Keep going straight until you dead end at the front desk of the Main CRC. You can check in at the Main CRC front desk for your study appointment.

If self-parking or using valet:

1. Park in the East Garage. Free self-parking or free valet is available (go to Level 1 of the East Garage for valet).
2. After parking, exit to the Ground Level and cross the street towards the Vanderbilt University Hospital. To the right of the Vanderbilt University Hospital Main Entrance, there is a building with a brown awning in the front labeled Medical Center North, which is an exit only.
3. Walk up the sidewalk between the Vanderbilt University Hospital Main Entrance and Medical Center North toward the back of Medical Center North.
4. Take a right in front of the Eskind Library and enter through the double doors to your right into the 2nd floor of the Medical Center North. At this entrance, you will be given a visitor sticker to wear throughout your visit.
5. Once inside, go left down the hallway and take first hallway to your left. You will pass a set of double elevators on your right. Keep going straight until you dead end at the front desk of the Main CRC. You can check in at the Main CRC front desk for your study appointment.

Please call the Main CRC at (615) 322-2312 if you have any trouble locating the facility or need assistance.
