(Located at the back of the building off Orleans drive/Acklen Ave)

3401 West End Ave

Instructions for Entering The Osher Center

- The Osher Center for Integrative Health at Vanderbilt is located at 3401 West End Ave, Suite 380, Nashville TN, 37203 (inside of a commercial office building managed by Highwoods).
- **You will enter in through the back of the building** (off Orleans Drive/Acklen Ave) into the parking garage under the "3401 Parking" sign. *You cannot enter through the front door off of West End Ave. It is for building employees only.*
- Once your pull in up to the parking garage gate, press the button to print a parking ticket.
- You will bring the parking ticket inside to our center's front desk and they will validate the ticket so the parking will be free of charge for you.
- Once you are passed the gate, you can park in any available/not reserved parking spot. **Our center is on the same level (3rd floor) as the parking garage entrance.**
- You will enter the building through glass door that is directly in front of the parking garage entrance. The glass door will have our building's property management logo "Highwoods" on it. You will enter into a small lobby, then go through a second door. Once you enter through the second door into the building, there will be a security guard desk directly in front/to the right of the door. **You will then veer to the left and The Osher Center will be at the end of the pass.**

We look forward to seeing you soon! If you have any questions, feel free to call us at 615-343-1554.
