

CURRICULUM VITAE
(updated 5/31/2024)

NAME: Robert Joseph Rinaldi

OFFICE ADDRESS

VUMC Department of Physical Medicine and Rehabilitation
2201 Children's Way, Suite 1318
615-322-0738, Fax 615-322-7454

EDUCATION

- College: Iowa State University, Ames, Iowa; BS - Biochemistry, 1987
- Medical School: University of Oklahoma College of Medicine, Oklahoma City, Oklahoma; Doctor of Medicine (MD), 1991
- Residency: General Pediatrics, The Children's Mercy Hospital and Clinics, Kansas City Missouri
July 1991- June 1994
- Residency: Physical Medicine and Rehabilitation, University of Kansas School of Medicine, Kansas City
Kansas, July 1994- June 1997

LICENSURE

- Texas # Q8336

BOARD CERTIFICATIONS

- American Board of Pediatrics - General Pediatrics 1994, 2001
- American Board of Physical Medicine and Rehabilitation - General PM&R 1998, 2008, 2019
- American Board of Physical Medicine and Rehabilitation - Pediatric Rehabilitation Medicine (PRM)
subspecialty certification 2003, 2008, 2018

ACADEMIC APPOINTMENTS

- Assistant Professor of Pediatrics, Department of Pediatrics, University of Missouri-Kansas City School of Medicine; 1997-2011
- Associate Professor of Pediatrics, Department of Pediatrics, University of Missouri-Kansas City School of Medicine; 2011-2016
- Associate Professor of Pediatrics and Physical Medicine and Rehabilitation, Department of PM&R and Department of Pediatrics, UT Southwestern Medical Center; 2016-2018
- Professor of Pediatrics and Physical Medicine and Rehabilitation, Department of PM&R and Department of Pediatrics, UT Southwestern Medical Center; 2018 – present

HOSPITAL APPOINTMENTS

- Section of Pediatric Rehabilitation Medicine, The Children's' Mercy Hospitals and Clinics, Kansas City, Missouri; 1997 – 2015
- Section of Pediatric Rehabilitation Medicine, The Rehabilitation Institute of Kansas City, Kansas City, Missouri; 1997 - 2000

- Department of Physical Medicine and Rehabilitation, UT Southwestern Medical Center, Dallas, Texas; 2016 - present

PROFESSIONAL ORGANIZATIONS

- American Academy of Physical Medicine and Rehabilitation
- Association of Academic Physiatrists
- American College of Rehabilitation Medicine
- American Academy of Neuromuscular and Electrodiagnostic Medicine

PROFESSIONAL ACTIVITIES

Intramural

The Children’s Mercy Hospitals and Clinics, Kansas City, Missouri

- | | |
|---|-------------|
| • Program Director - Brachial Plexus Injury Management Program | 1998 - 2015 |
| • Program Director - Intraoperative Neurophysiologic Monitoring Program | 1998 - 2015 |
| • Program Co-Director - Nerve and Muscle Program | 1998 - 2015 |
| • Program Director - Pediatric Rehabilitation Medicine (PRM) Fellowship | 2005 - 2014 |
| • Member - Graduate Medical Education Committee | 2005 - 2014 |
| • Member - Employee Wellness Committee | 2005 - 2007 |
| • Company Coordinator - Kansas City Corporate Challenge | 2005 - 2007 |
| • Member - Hospital Education and Research Committee | 2006 - 2009 |
| • Member - Fellows Quality Improvement Curriculum Ad Hoc Committee | 2010 - 2011 |
| • Member - Section of Pulmonology Chair Search Committee | 2012 |
| • Vice Chair - Neuromuscular Review Committee | 2013 |
| • Medical Director – Telemedicine and Telehealth | 2014 - 2015 |

UT Southwestern Medical Center, Dallas, Texas

- | | |
|--|----------------------|
| • Chief - Division of Pediatric Rehabilitation Medicine (PRM) | December 2016 – pres |
| • Medical Director - Children’s Health Specialty Center – Cityville/Dallas | 2016 - pres |
| • Member - Executive Committee, Our Children’s House Specialty Hospital | 2016 - 2020 |
| • Member - CON-TEX Scientific Review Committee | 2016 - pres |
| • Member – Pediatric Group Practice Committee | 2016 - pres |
| • Chair, Clinical Competency Committee, PRM Fellowship Program | 2017 - 2019 |
| • Co-Founder and Member – Adaptive Sports Coalition | 2017 - pres |
| • Joint Pediatric Enterprise Strategic Planning Subcommittee, UTSW/Children’s Health | 2020 - 2021 |
| • Program Director – Pediatric Rehabilitation Medicine (PRM) Fellowship | 2021- pres |
| • National Organization of Rare Disorders (NORD) CoE Clinical Guidelines Workgoup | 2022 |

Children’s Health Systems of Texas, Dallas Texas

- | | |
|---|-------------|
| • Member – Transition Advisory Board | 2016 - 2017 |
| • Member – Neurosciences Service Line Executive Committee | 2016 - 2018 |
| • Member – Neurosciences Leadership Committee | 2019 - pres |
| • Member - ECM Network Committee | 2020 |
| • Member - Integrated Therapy Unit Executive Committee | 2022 |

Extramural:

- Member - Board of Directors, Brain Injury Association of Kansas City 2008 – 2010

American Board of Physical Medicine and Rehabilitation

- Item Writer – PRM Subspecialty Certification Examination 2000 -2007
- Associate Member – PRM Subspecialty Certification Subcommittee 2005 -2017
- Senior Reviewer – PRM Subspecialty Certification Examination Committee 2005- 2017
- Oral Examiner - Physical Medicine and Rehabilitation Board Examination Part II 2007- present
- Member – PRM Certification Exam Standard Setting Committee 2016
- Member - CertLink Soft Launch pilot test group 2018

American Academy of Physical Medicine and Rehabilitation

- Member - Program Organizing Committee, Pediatric Specialty Interest Group 2007 - 2008
- Vice Chair of Education – PRM Member Council Executive Committee 2009 - 2012
- Member - Council Advisory Panel 2009 - 2014
- Member - Steering Committee, Knowledge Now Practicing Curriculum Project 2010 - 2013
- Member - Education Advisory Group, PRM Member Council 2012 - 2014
- Chair Elect – PRM Member Council Executive Committee 2012 - 2012
- Chair - PRM Member Council Executive Committee 2013 - 2014
- Member – Nominating Committee, PRM Member Council 2013 - 2015
- Representative - American Medical Association, Telemedicine Initiative 2014
- Member-at-Large - Board of Governors 2015 - 2019
- Member - Audit Committee 2016 - 2019
- Member - *PMR* Editor in Chief search committee 2017
- Member - Member Constituency Task Force 2018 - 2019
- Member - Diversity and Inclusion Task Force 2018 - 2019
- Member - Evaluation Committee 2018 - 2019
- Co-Chair – Pediatric Rehabilitation Medicine BOLD Committee 2019 - pres
- Member – PM&R BOLD Steering Committee 2019 - pres
- Co-Chair- Technology Summit Organizing Committee, 2023 - pres
- Representative - American Board of PM&R Quality Agenda Task Force 2023

Foundation for PM&R

- Member - Board of Directors, Foundation of PM&R 2022 - pres
- Advisor - Early Career Leadership Council, Foundation of PM&R 2023 - pres

American Academy of Neurology

- AAPMR Representative–
 - Muscular Dystrophy Quality Measure Development Workgroup 2013 - 2014

American Board of Pediatrics

- Item Writer - General Pediatrics Board Examination 2001 - 2005

Journal Peer Reviewer / Ad Hoc Reviewer

- American Journal of Physical Medicine and Rehabilitation 2006 - pres
- Journal of Pediatric Rehabilitation Medicine 2008 - pres
- PM&R 2008- pres
- AAPMR subspecialty expert reviewer – ‘HRS Expert Consensus 2021

Statement on Evaluation and Management of Arrhythmic Risk
in Neuromuscular Disorders'; Heart Rhythm Society

- AAPMR subspecialty expert reviewer – ‘American Academy of Pediatrics Spina Bifida Toolkit’ 2022
- Ad Hoc reviewer, British Medical Journal, Best Practice 2024

Awards and Citations

- Faculty Excellence Award –
 - Department of PM&R, University of Kansas School of Medicine 2009
- Children’s Mercy Hospital Golden Apple Mentor Award 2009
- Kansas City Super Doctors- Kansas City Magazine 2009 - 2015
- Best Doctors in America 2009 - present
- Texas Top Doctors – Texas Monthly Magazine 2017 - present

TEACHING ACTIVITIES

Continuing Medical Education

- “Rehabilitation Medicine, Past, Present, and Future”. The Greater Kansas City Pediatric Society Quarterly Meeting, April 1998 (Lecturer)
- “Transitioning Children with Special Needs from Pediatric Medical Care to Adult Medical Care”. The 3rd Annual Mid-America Conference on Children with Special Health Needs. Kansas City MO, November 1999 (Lecturer)
- “Rehabilitation of Brachial Plexus Injuries in the Newborn”. The 1st Annual Midwest Brachial Plexus Network Conference. The Children’s Mercy Hospitals and Clinics, September 1999 (Lecturer)
- “Management of Neonatal Brachial Plexus Injuries”. 32nd Annual Danciger Seminar. Clinical Advances in Pediatrics, The Children’s Mercy Hospitals and Clinics, November 1999 (Lecturer)
- “Clinical Indications and Use of Intramuscular Botulinum Toxin”. Current Trends in the Management of Spasticity Conference. The Children’s Mercy Hospitals and Clinics, December 1999 (Lecturer)
- “Management and Rehabilitation of Mild Traumatic Brain Injury and Concussion”. 2nd Annual Concussion in Sports Conference. Brain Injury Association of Kansas and Greater Kansas City Overland Park KS, January 2000 (Lecturer)
- “Rehabilitation of Brachial Plexus Injuries”. Midwest Brachial Plexus Network Conference Overland Park KS, September 2000 (Lecturer)
- “Intraoperative Neurophysiologic Monitoring of the Central Nervous System” Child Neurology Conference. The Children’s Mercy Hospitals and Clinics, April 2004 (Lecturer)
- “Rehabilitation of Brachial Plexus Injuries”. Continuing Medical Education series. Truman Medical Center-East. Lee’s Summit MO, March 2005 (Lecturer)
- “Seating Issues in Children with Spasticity” Multidisciplinary Approach to Spasticity Management Conference. Overland Park KS, August 2005 (Lecturer)

- “Assessment and Rehabilitation in TBI”. Kansas Neurological Disability Support Project: TBI Miniteam Educational Symposium. Kansas City KS, December 2006 (Lecturer)
- “Pediatric Hereditary Myopathy: Overview of Assessment and Management”. Visiting Professor Lecture Series, Department of Physical Medicine and Rehabilitation, Rush University School of Medicine, Chicago IL, June 2007 (Lecturer)
- “Assessment and Rehabilitation in TBI”. Kansas Neurological Disability Support Project: TBI Miniteam Educational Symposium, Kansas City KS, December 2007 (Lecturer)
- “The Role of Palliative Care in Neuromuscular Disease Management”. Hospital Grand Roundx, The Children’s Mercy Hospitals and Clinics, March 2008 (Lecturer)
- “Assessment and Rehabilitation in TBI”. Kansas Neurological Disability Support Project: TBI Mini-team Educational Symposium, Kansas City KS, October 2008 (Lecturer)
- “Congenital Muscular Torticollis- Anatomic, Pathologic, and Management Considerations”. PT/OT Educational Update Series: Congenital Muscular Torticollis and Plagiocephaly, The Children’s Mercy Hospitals and Clinics, November 2008 (Lecturer)
- “Spasticity - Pathophysiology and Management”. PT/OT Educational Update Series. The Children’s Mercy Hospitals and Clinics, November 2008 (Lecturer)
- “Spasticity- Pathophysiology and Management. Conference: “Beyond Rehab: Succeeding at Life”. Brain Injury Association of Kansas and Greater Kansas City, Overland Park KS, March 2009 (Lecturer)
- “Assessment and Rehabilitation in TBI”. Kansas Neurological Disability Support Project: TBI Miniteam Educational Symposium, Kansas City KS, October 2009 (Lecturer)
- “Torticollis: Pathophysiology, Assessment, and Management”. Clinical Advances in Pediatrics Symposium. The Children’s Mercy Hospital and Clinics, November 2009. (Lecturer)
- “Physical medicine and Rehabilitation in Arthrogryposis: Application of a Universal Tool”. 6th Annual AMC Conference, Kansas City MO, July 2011 (Lecturer)
- “Congenital Muscular Torticollis- Anatomic, Pathologic, and Management Considerations”. PT/OT Educational Update Series: Congenital Muscular Torticollis and Plagiocephaly, The Children’s Mercy Hospitals and Clinics, May 2013 (Lecturer)
- “Rehab Therapy Recommendations. ‘Interdisciplinary Perspectives on Spinal Muscular Atrophy: Defining Your Roles’”, Families of Spinal Muscular Atrophy Annual Meeting. National Harbor MD, June 2014. (invited)
- “Congenital Muscular Torticollis- Anatomic, Pathologic, and Management Considerations”. PT/OT Educational Update Series: Congenital Muscular Torticollis and Plagiocephaly, The Children’s Mercy Hospitals and Clinics, October 2014 (Lecturer)
- “Boom or Bust: Generational Considerations in the Residency and Fellowship Setting”. PM&R Grand Rounds. Kansas University Medical Center, December 2014 (Lecturer)

- “Boom or Bust: Generational Considerations in the Residency and Fellowship Setting”. Hospital Grand Rounds Lecture. Children’s Mercy Hospital and Clinics, January 2015 (Lecturer)
- “Congenital Muscular Torticollis- Anatomic, Pathologic, and Management Considerations”. Kansas Physical Therapy Association Annual Meeting. Wichita KS, April 2015 (Lecturer)
- “Refractory Head Tilt in a 1-Year-Old”. Multidisciplinary Case Conference. Children’s Medical Center, Dallas TX, May 2016 (Lecturer)
- “Boom or Bust: Generational Considerations in the Residency and Fellowship Setting”. Department of PMR Ground Rounds. UT Southwestern Medical Center, Dallas TX, June 2017 (Lecturer)
- “Rehabilitation Management of TBI in the PICU”. Trauma Grand Rounds. Children’s Medical Center, Dallas TX, June 2017 (Lecturer)
- “Congenital Muscular Torticollis – Anatomic, Pathologic, and Management Considerations”. Children’s Health Systems Primary Care Continuing Education Series, Dallas TX, 2017 (Lecturer)
- “Neonatal Brachial Plexus Injuries: Evaluation and Management Considerations”. Children’s Health Systems Primary Care Continuing Education Series. Rockwall TX, July 2017. (Lecturer)
- “Physical Medicine and Rehabilitation: the what and the how”. Region 10 Therapist Educational Series, Dallas TX, August 2017. (Lecturer)
- “Evaluation and Management of Neonatal Brachial Plexus Injury”. Children’s Health Systems Primary Care Continuing Education Series, Plano TX, October 2017. (Lecturer)
- “Evaluation and Management of Neonatal Brachial Plexus Injury”. The Kenneth C. Haltalin Pediatrics for the Practitioner Annual Conference. Dallas TX, June 2019 (Lecturer)
- “Evaluation and Management of Neonatal Brachial Plexus Injury”. 1st Annual Pediatric Rehabilitation Regional Symposium. Dallas TX, August 2019 (organizer and lecturer)
- “Peripheral Nerve Injury: Rehabilitation Management”; Trauma Service Grand Rounds, Children’s Health Systems of Texas, Dallas TX, 2020 (Lecturer)
- “Assessment and Management of Neonatal and Hospital Acquired Torticollis”; 2nd Annual Pediatric Rehabilitation Regional Symposium, Dallas TX 2020 (organizer and lecturer)
- “Pediatric EMG and IOM”. Baylor College of Medicine PM&R Resident Didactic Series, Dallas Tx 2020 (Lecturer)
- “Spinal Muscular Atrophy”. Baylor College of Medicine PM&R Resident Didactic Series, Dallas TX 2020 (Lecturer)
- “Neonatal Brachial Plexus Injury Management”. UTSW Combined Plastic Surgery/Orthopedic Surgery Hand Conference, Dallas TX 2020 (Lecturer)
- “Cardiac Rehabilitation”. 3rd Annual Pediatric Rehabilitation Regional Symposium, Dallas TX 2021 (organizer and lecturer)

- “Hereditary Myopathies”. PM&R Resident Lecture Series, Dept. of PM&R, UT Southwestern Medical Center, Dallas TX 2021 (Lecturer)
- “Spinal Muscular Atrophy”. PM&R Resident Lecture Series, Dept. of PM&R, UT Southwestern Medical Center, Dallas TX 2021 (Lecturer)
- “Neonatal Brachial Plexus Injury Management”. UTSW Combined Plastic Surgery/Orthopedic Surgery Hand Conference 2021 (Lecturer)
- “Spinal Muscular Atrophy”. Baylor College of Medicine PM&R Resident Didactic Series, Dallas TX 2021 (Lecturer)
- “Update on Neonatal Brachial Plexus Injury: has the butterfly fluttered its wings?” Grand Rounds, Children’s Mercy Hospital, Kansas City MO 2022 (invited)
- “Neonatal Brachial Plexus Injury Management”. UTSW Combined Plastic Surgery/Orthopedic Surgery Hand Conference, Dallas TX 2022 (Lecturer)
- “Neonatal Brachial Plexus Injury Management”. UTSW Combined Plastic Surgery/Orthopedic Surgery Hand Conference, Dallas TX 2023 (Lecturer)
- “Telehealth in PM&R – Pediatric Rehabilitation”. AMA Future of Health Immersion Program Session, 2023 (Webinar based) (invited)
- “Peripheral Nerve Injuries and Management”. The 35th Sidney Licht Lectureship, Ohio State University, Wexner Medical Center, Dept of PM&R, Columbus OH. 2023 (Lecturer)
- “Neonatal Brachial Plexus Injuries”. The 35th Sidney Licht Lectureship, Ohio State University, Wexner Medical Center, Dept of PM&R, Columbus OH. 2023 (Lecturer)
- “Boom or Bust: Generational Considerations in the Residency and Fellowship Setting”. The 35th Sidney Licht Lectureship, Ohio State University, Wexner Medical Center, Dept of PM&R, Columbus OH. 2023 (Lecturer)
- “Update on Neonatal Brachial Plexus Injury: has the butterfly fluttered its wings?” Vanderbilt University Medical Center, Department of PM&R Residency Program Lecture Series, Nashville TN. 2024. (invited)
- “Neonatal Brachial Plexus Injury Management”. UTSW Combined Plastic Surgery/Orthopedic Surgery Hand Conference, Dallas TX 2024 (Lecturer)

Clinical Teaching

- **Inpatient Rehabilitation Unit attending** - Pediatric Rehabilitation Medicine
Dates: July 1997 – December 2015
Location: The Children’s Mercy Hospitals and Clinics, Kansas City Missouri
- **Outpatient Clinic attending** - Pediatric Rehabilitation Medicine
Dates: July 1997 – December 2015

Location: The Children's Mercy Hospitals and Clinics, Kansas City Missouri

- **Inpatient Consult Service attending** - Pediatric Rehabilitation Medicine
Dates: January 2016 - present
Location: Children's Medical Center – Dallas, Dallas Texas
- **Outpatient Clinic attending** - Pediatric Rehabilitation Medicine
Dates: January 2016 - present
Location: Children's Medical Center – Dallas, Dallas Texas

Research Supervision

- Micheal Green DO
 - Dates: July 2011 – 2013
 - Present Position: Medical Staff, Pediatric Rehabilitation Medicine, Intermountain Primary Children's Hospital - University of Utah
- Clarice Sinn DO
 - Dates: July 2013 – June 2015
 - Present position: Assistant Professor and Director, Division of Pediatric Rehabilitation Medicine, University of Kentucky Medical Center
- Kayla Williams MD
 - Dates: July 2021-June 2023
 - Present Position: Associate Professor, Pediatric Rehabilitation Medicine, UCSF Benioff Children's Hospital Oakland
- Cesar Astudillo MD
 - Dates: August 2022-August 2024
 - Present Position: Fellow, Pediatric Rehabilitation Medicine, UT Southwestern Medical Center

RESEARCH

Research - funded

- 1st Brain Injury Education Navigator (1st BIEN) – UTSW Site PI; Primary PI- Seattle Children's/University of Washington, NIH funding subaward - \$497,518
- Functional Neuroplasticity of the Cortical Sensorimotor Network in Children with Unilateral Upper Limb Disability (IRB STU 2022-0945); PI- Song Y.; Funding - internal Grant

Presentations at Scientific Meetings

- “Developmental Delay and Weakness”. 68th Annual Assembly, American Academy of Physical Medicine and Rehabilitation. Boston MA, September 2007 (invited)
- “Pediatric Clinical Pearls and Scientific Research Paper Presentations”. 69th Annual Assembly, American Academy of Physical Medicine and Rehabilitation, San Diego, CA, November 2008 (invited)
- “Intraoperative Electrophysiologic Assessment in Selective Dorsal Rhizotomy”. 71st Annual Assembly, American Academy of Physical Medicine and Rehabilitation, Seattle WA, November 2010. (invited)
- “The Pediatric Upper Extremity: Surgical Management in BPI and Cerebral Palsy”. 72nd Annual Assembly, American Academy of Physical Medicine and Rehabilitation, Orlando FL, November 2011. (invited)
- “Boom or Bust: Generational Considerations in the Residency and Fellowship Setting”. 75th Annual Assembly, American Academy of Physical Medicine and Rehabilitation, San Diego CA, November 2014.

(invited)

- “Telerehabilitation: Regulations, Applications, Research in the Virtual World”. 78th Annual Assembly, American Academy of Physical Medicine and Rehabilitation, Denver CO, October 2017 (invited)
- “Motor Disabilities in Pediatrics: An Overview”. American Academy of Pediatrics DB: PREP Course, San Antonio TX, November 2018 (invited)
- “Motor Disabilities in Pediatrics: Management Strategies”. American Academy of Pediatrics DB: PREP Course, San Antonio TX, November 2018 (invited)
- “Adaptive Sports Program Development”. American Congress of Rehabilitation Medicine, 95th Annual Assembly. Dallas, TX, September 2018 (invited)
- “Evaluation and Management of Neonatal Brachial Plexus Injuries”. American Academy of Cerebral Palsy and Developmental Medicine 73rd Annual Meeting. Anaheim CA, October 2019 (invited)
- “Neuromuscular Disorders – Panel Discussion” (with S. Jorgenson, S. Hearn); 81st Annual Assembly, American Academy of Physical Medicine and Rehabilitation (virtual), 2020 (invited)
- “Telemedicine: The Past, Present, and Future” (with J. Alexander, L. Davidson, L. Spiere). 81st Annual Assembly, American Academy of Physical Medicine and Rehabilitation (virtual), 2020 (invited)
- “Breaking the Barrier: Telemedicine Applications During the COVID-19 Pandemic and Beyond” (with S. Barshikar, T. Bacon, R. Enriquez). Association of Academic Physiatrists Annual Meeting (virtual), 2021 (invited)
- “Rehabilitation Management of Peripheral Nerve Injuries”. American Academy of Physical Medicine and Rehabilitation Pediatric Lecture Series. December 2021 (invited)
- “Seating Considerations in Children with Spasticity”. American Academy of Physical Medicine and Rehabilitation Pediatric Lecture Series. January 2022 (invited)
- “The Role of Rehabilitation Medicine in NM Care: The Value of Integrating PM&R Into the Care Plan”. American Academy of Neuromuscular and Electrodiagnostic Medicine Annual Meeting, Phoenix AZ, 2023 (invited)
- “Medical Student Program – ‘Pediatric Rehabilitation Medicine’”. 2023 Annual Assembly, American Academy of Physical Medicine and Rehabilitation; New Orleans, LA (invited)

Presentations, other

- “Rehabilitation Concepts and Research in OBPI”. United Brachial Plexus Network Camp. Washington D.C, September 2005
- “Management of Brachial Plexus Injuries”. United Brachial Plexus Network Camp 2007 Seattle WA, September 2007
- “Secondary Complications in Neonatal Brachial Plexus Injuries: Has the Butterfly Flapped Its Wings?”. United Brachial Plexus Network Camp 2017. Daniels WV, August 7, 2017

- “Collaborative Practice in Orthotics”. Hanger Live National Education Conference, Dallas TX 2022
