

Vanderbilt Rehabilitation Therapy

First Day Information for Students

On your first day, you will begin with student orientation to meet with your clinical instructor. During this time, you and your clinical instructor will review VUMC policies/procedures, discuss your VUMC clinical experience plans, review expectations/objectives for your clinical rotation, and begin orienting to the clinic.

Students will be scheduled for eStar (Epic) training during the first week of the clinical rotation to learn our EMR system. Prerequisites for the course are included in the Learning Exchange modules that must be completed 24 hours prior to your scheduled eStar training.

It is **strongly** recommended that students pick up their ID badge prior to their first day. If you were not able to get your ID badge prior to your first day, please work out a plan with your clinical instructor to pick up your ID badge on your first day. A scheduled appointment is required for your ID Badge.

Where to Go:

Vanderbilt Orthopaedics Antioch

4249 Century Farms Terrace
Antioch, TN 37013

Vanderbilt Orthopaedics Antioch is located next to the Nashville Soccer Club (NSC) training facility. You will see a gated parking lot for NSC. Turn LEFT in front of the NSC parking lot and continue towards Vanderbilt Orthopaedics. Students may park in the front of the building. We ask that students park further from the entrance to allow patients priority access. Enter through the front doors and inform the front desk you are an OT student and are there for orientation with Paul. The Occupational Therapy clinic is to the far right of the waiting room. If you have any difficulty finding the clinic, please contact your clinical instructor directly.

Vanderbilt Rehabilitation Therapy

VUMC Dress Code

What to Wear:

- Wear name badge above waist at all times
- Business casual attire
- Closed toe shoes with socks or stockings. Neat tennis shoes are acceptable.
- No jeans or short skirts
- No artificial nails or long nails
- No tank tops, tight, low-cut or revealing clothing. You may want to bring a sweater as it is often cool in the clinic.
- Piercings should be ears only. Tattoos should be covered.
- Avoid scented lotions, perfumes, or cologne

What to Bring:

- Bagged lunch or money for lunch. A refrigerator, microwave, and coffee maker are available.
