

LPN

TRANSITION TO PRACTICE PROGRAM

2025 SESSIONS

FEBRUARY 13

♦ APRIL 10

♦ JUNE 20

♦ AUGUST 7

♦ OCTOBER 9

♦ DECEMBER 11

The LPN Transition to Practice (TTP) Program is tailored to support newly starting LPNs at Vanderbilt Adult Ambulatory and experienced LPNs seeking to enhance their ambulatory skills. **The LPN TTP program starts with Jumpstart, an 8-hour, skill-focused session allowing participants to practice clinic-specific care techniques in a simulated environment.**

Skills include:

- ♦ Intake
- ♦ Phlebotomy
- ♦ Suture and staple removal
- ♦ Time management
- ♦ Self-Care
- ♦ Medication administration
- ♦ Communication
- ♦ De-escalation
- ♦ Teach back
- ♦ Sterile technique
- ♦ Emergency preparedness
- ♦ Vanderbilt resources
- ♦ Wound care
- ♦ Procedure assist
- ♦ Foley insertion (Urology)
- ♦ EKG (PC and VHVI)
- ♦ Draping (Derm)
- ♦ Drain Removal (Surgical)
- ♦ And additional Clinic Skills

Three quarterly on-demand sessions in the Learning Exchange for Jumpstart session:

- In Basket
- Resilience; Workplace Violence and Verbal De-escalation
- Professional Development and Advancement
