A CENTRALIZED CONTACT AND COORDINATED SERVICES

Vanderbilt Corporate Health Services Workers' Compensation Division

Vanderbilt Corporate Health Services Workers' Compensation Division is an efficient, coordinated resource with a strong track record of meeting the needs of the Middle Tennessee workers' compensation community. The division serves as the single point of access for addressing the workers' compensation requirements of area employers, case managers and adjustors.

Our dedicated Workers' Compensation Division provides streamlined access to Vanderbilt Health physicians and other services to treat your injured worker with the highest-quality care at reasonable costs.

Look to our team members to provide:

- A preferred list of Vanderbilt providers in numerous specialties
- Recommendations of providers best suited to the needs of your injured employee
- The scheduling of timely appointments
- Free interpretation services at the initial appointment
- Letters of confirmation and other important forms
- The securing of medical records and impairment rating results
- Assistance with registration and billing
- Answers to return-to-work questions
- Follow-up contact with employers on all workers' compensation patients who use Vanderbilt Health's emergency room and walk-in clinics

We make the difficult job of coordinating the treatment of a workers' compensation patient easier. **Call us today at (615) 936-6074.**

OUR VISION

Vanderbilt Corporate Health Services' vision is to be the premier provider of workers' compensation specialty care in Middle Tennessee and surrounding areas.

We are a team of professionals dedicated to facilitating and coordinating patient care for the workers' compensation community.

We provide access to Vanderbilt's medical providers, services and facilities. We serve as a liaison educating and consulting with internal and external customers regarding workers' compensation. We strive to provide each patient/customer with dignity and compassion in a courteous and professional manner.

OUR MISSION

Vanderbilt Corporate Health Services' mission is to serve as a prompt, efficient and courteous single resource for the workers' compensation community and facilitate the medical care for injured workers by providing access to Vanderbilt Health.
